

CSS SHIRTS ~ HELP SUPPORT SEVENTH GRADE!

Help send seventh graders to OMSI Science School! In March, seventh graders will have the opportunity to go to OMSI's Cascade Stream Station, near Bend, for 5-days, 4-nights. While there, students will participate in outdoor science activities! This is an amazing, but expensive, opportunity. This fundraiser helps to support our entire class, parents and teacher, each of which costs \$170. Thank you for your help!
