

# Medieval Hotel Research Project

*Due: Thursday, March 13, 2008*

During our Medieval Hotel storyline, students have the opportunity to choose and complete an at-home project that looks in-depth at one person related to our storyline. We are creating a gallery of Explorers, and people associated with the Scientific Revolution and the Age of Enlightenment. If you need any materials, or have trouble finding information, please let me know.

## *Project Scoring Guide*

*When I score your project, these are the things I will consider:*

- ✓ Is your writing organized and thoughtful?
- ✓ Does your writing give information and reflect your research?
- ✓ Is your writing your best, edited, thoughtful, and clear?
- ✓ Is your project neat, organized, and attractively decorated?
- ✓ Did you follow the project directions?
- ✓ Does your project show your effort and hard work?
